Education

Universidad Politécnica Superior de Alcalá de Henares

Madrid, Spain

Computer Engineering

2024

Final Degree Project: QuantAI [Implementation of an AI model based on neural networks and natural language processing to predict trends in stocks and index funds, integrating historical financial data and sentiment analysis from social media and news sources.]

Tajamar

Madrid, Spain

Scientific High School Diploma

2019

Experience

International Business Machines (IBM)

Madrid, Spain (Hybrid)

Data & AI Software Developer

January 2023 – Present

- Developed AI-driven solutions for the Spanish Air Forces, supporting military operations through advanced automation and predictive analytics.
- Provided technical support for Aspera solutions to RTVE and Iberdrola, enhancing data transfer efficiency and reliability.
- Diagnosed and optimized AI chatbot performance for Orange, improving response accuracy and user experience.
- Trained AI models for Mapfre, optimizing data processing and predictive capabilities.

International Business Machines (IBM)

Madrid, Spain (On-site)

Intern

July 2023 – January 2024

- Led database migrations, ensuring data integrity and seamless system transitions.
- Trained in Aspera, specializing in high-speed data transfer solutions.
- Trained in Watsonx.ai, gaining expertise in AI model development and deployment.
- Developed a Google Chrome extension for GISS, enhancing usability and automation.

Leadership & Activities

Universidad Politécnica Superior de Alcalá de Henares

Madrid, Spain

University Math Tutoring Program

January 2023 – June 2023

- Provided academic support to first-year students in mathematics.

Universidad Politécnica Superior de Alcalá de Henares

Madrid, Spain

Cybersecurity Training Program

January 2022 – June 2022

- Gained expertise in network security, ethical hacking, and risk assessment.

Skills & Interests

- **Technical:** Python, Java, C++, SQL, TensorFlow, Watsonx.ai, Vue.js, LLM, LangChain, Azure, AWS.
- **Language:** Spanish (Native), English (C2 – Proficiency)
- **Interests:** Finance, AI, Sports.
